Foods

We are going to try something a little different this year and have 4-H foods on Monday, Wednesday, and Friday nights: Mondays at 6:15, Wednesdays at 5:15 and Fridays at 4:00 – 6:00. Parents can choose **any 1 of these times** to come. We will go until the first week of May. Each night will have two instructors; one will be doing more advanced foods and one doing more simple foods. We are covering appetizers to desserts and everything in between with a community service project and family dinner night celebration. There will be a charge \$25 for the full 10 weeks which is payable in full at the first meeting. If this is a financial hardship, scholarships are available to help cover the cost. Contact the 4-H office at 388-3213 for more details. This is a really good bargain for 2 hours of instruction and food for only \$2.50. We will not have class the week of March 12th, March 19th or April 9th.
